## Next Steps

- Use the support gained from the *Go Human* Demonstration to plan for more pedestrian and bike infrastructure in the City of Azusa.
- Leverage event documentation materials to continue educating residents, employers/employees, and visitors about walking and biking safety and encouraging them to walk and bike more.
- Capitalize on the community support received to seek grant funding opportunities for more active transportation programming and infrastructure projects.

#GoHumanSoCal [GoHumanSoCal.org](http://GoHumanSoCal.org)

This project was undertaken as part of the Southern California Association of Governments' *Go Human* Active Transportation Safety and Encouragement Campaign. *Go Human* is a community outreach and advertising campaign with the goals of reducing traffic collisions in Southern California and encouraging people to walk and bike more. SCAG hopes to create safer and healthier cities through education, advocacy, information sharing, and events that help residents re-envision their neighborhoods.

**Azusa Walks Demonstration at the CommUNITY Festival**

In partnership with *Go Human*, the City of Azusa invites you walk to Memorial Park on *Saturday, May 21st* to experience temporary safety improvements!

The City will temporarily transform the intersection of *N Orange Avenue and W 3rd Street* with an artistic crosswalk, curb extensions, and a parklet for the day. The Azusa Walks Demonstration will be held at the CommUNITY Festival. Walk to Memorial Park and participate in this unique one-day installation!

**AZUSA**

May 21st, 2022

The City of Azusa's *Go Human* demonstration showcased infrastructure treatments such as an artistic crosswalk, a curb extension, and a parklet. The event used SCAG's Kit of Parts, a set of portable, lightweight, and easy-to-install demonstration elements to exhibit street improvements that promote safety and active mobility. The demonstration took place during the CommUNITY Festival at Memorial Park.
