Dear Members of the Regional Advanced Mitigation Planning - Advisory Task Group (RAMP-ATG):

SCAG received a letter from Regional Councilmember Huang regarding the Greenprint and RAMP processes, including several issues that are germane to the Regional Advance Mitigation Planning – Advisory Task Group's jurisdiction, on February 13. SCAG staff provided a response to Regional Councilmember Huang on February 17.

Both letters have been posted on the website and can be accessed here: <https://scag.ca.gov/current-agendas> and here: <https://scag.ca.gov/post/regional-advanced-mitigation-planning-advisory-task-group-february-18-2022-full-agenda-packet>.

Please note, this letter is not agendized for discussion at the RAMP-ATG meeting today because it arrived too late to be included in the agenda, so it cannot be discussed at this meeting.

We look forward to your participation.

Best,  
Maggie
